Location:

Quality Inn
865 York Road
Gettysburg, PA 17325

About the Class:

Confined Space: Water and wastewater operators are faced with choices every day; one of those decisions usually involves a confined space. This course was developed to help operators make the right choices based on knowledge of the hazards of a confined space.

Trenching and Safety Overview: This course covers the basics of trench safety, including regulations and standards that every trench worker should know.
